

Direct-Fed Microbial, Enzyme & Forage Additive Compendium

Product brand name: _____

Type of product:

Bacterium Yeast Enzyme Mold Oligosaccharide
 Silage additive Hay additive Waste/odor product

Generic organism name(s) or active ingredient(s): _____

Percent of active ingredient(s): _____

Units of measure (cfu/g or enzyme units/g): _____ -

For forage products, application rate/g: _____

Carrier: _____

Use, indications and/or purpose statement: _____

Intended for use with which animals/crops: _____

Delivery/application method: _____

Storage/handling considerations: _____

Shelf life: _____

Available package sizes: _____

Product marketed as: Dry

Frozen Liquid Drench Dry Paste Gel

Marketing region/area for product: _____

Contact:

(name1) _____
(name2) _____
(company) _____
(address1) _____
(address2) _____
(city, state & zip) _____
